NH LEADERSHIP SERIES

Friends Supporting Disability Training and Advocacy

This event was started by family and friends of people who have lifelong disabilities. As graduates of the NH Leadership Series and members of ABLE NH, we are working to provide training and create support for full lives in the community for ALL!

Your support will help fund the following two beneficiaries:

The **NH Leadership Series** is a community-oriented program focused on developing self-advocacy and leadership skills for individuals with disabilities and their family members. They will affect change at a personal, community, and statewide level with the generosity of supporters like you. **The NH Leadership Series** is a self-funded program of the Institute on Disability, a non-profit 501(c)3 organization, and is made possible through public support. www.nhleadership.org

ABLE NH (Advocates Building Lasting Equality) advocates for the human and civil rights of all children and adults with disabilities and promotes full participation by improving systems of supports, connecting families, inspiring communities and influencing public policy. www.ablenh.org
