

**Curriculum Vita**  
**KARLA R. ARMENTI**  
**30 Cornwall Street, Portsmouth, NH 03801**

**EDUCATION**

- 2001 Work Environment Policy and Cleaner Production (Sc.D.)  
University of Massachusetts Lowell
- 1997 Work Environment Policy (M.S.)  
University of Massachusetts Lowell
- 1981 International Relations, German (B.A.) Norwich University (Vermont)

**EXPERIENCE**

- 2015-Present Institute on Disability, University of New Hampshire  
Research Assistant Professor and Principal Investigator  
Manage state-based surveillance and research projects focused on prevention of work related injuries and illnesses.
- 2010–2015 NH Department of Health and Human Services Principal Investigator  
Managed state-based surveillance and research projects focused on prevention of work related injuries and illnesses.
- 2005–2010 NH Department of Health & Human Services Section Chief  
Managed Health Statistics and Data Management section (staff and programs), including NH State Cancer Registry, Vital Records, Hospital Discharge Data and the Behavioral Risk Factor Surveillance System.
- 2001– Present University of New Hampshire Adjunct Professor  
Teach courses in the Master of Public Health Program – focus on work environment policy and environmental health.
- 2001-2004 U.S. Environmental Protection Agency, Region 1 Research Consultant  
Worked on Pollution Prevention Incentives for States (PPIS) grant titled, “Advancing Environmental and Occupational Health through Pollution Prevention: An Intervention and Evaluation” with researchers from Rutgers University, NJ, Occupational Training and Education Consortium, School of Management and Labor Relations. Focus was on developing worker training materials on pollution prevention.
- 2001–2002 University of Massachusetts Lowell Research Consultant  
Assisted with literature review for Sustainable Hospitals Project (funded by the National Institute for Occupational Safety and Health-NIOSH)
- 2002–2004 Mission Research Corporation Research Consultant  
Developed business sustainability tool under the Small Business Innovation Research (SBIR) Grant, National Institute for Occupational Safety and Health (NIOSH).

1998-1999	University of Massachusetts Lowell	Researcher
Project Manager (Doctoral Research), Toxics Use Reduction Institute Grant Recipient. Focus was on analyzing the effects of toxics use reduction strategies on worker safety and health at three printed wire board manufacturers.		
1997-1998	U.S. Environmental Protection Agency, Region 1	Researcher
Worked on "CLEAN-P2 Project" (Compliance Leadership Through Environmental Assessments and Negotiations - Pollution Prevention).		
1997-1998	University of Massachusetts Lowell	Administrator
Conference Coordinator, "Strategies to Improve Occupational and Environmental Health in Central and Eastern Europe," Bulgaria and Hungary.		
1983-1995	Kluber Lubrication North America L.P.	Regulatory Affairs Coordinator
Responsible for managing all local and national occupational (OSHA) and environmental (EPA) compliance issues for North American branch of international lubricant manufacturer.		

**HONORS, AWARDS, & FELLOWSHIPS**

October 2011	New Hampshire Coalition for Occupational Safety and Health, Achievement Award
April 2007 & 2008	New Hampshire Public Health Association Presidential Service Award
January 2007- December-2008	Scholar, Northeast Public Health Leadership Institute, Centers for Disease Control and Prevention
May 2006	Boston University School of Public Health, Certificate of Recognition for Partnership and Contributions to Public Health
May 2002	Harriet Hardy Award, Department of Work Environment, University of Massachusetts Lowell

**GRANTS AND CONTRACTS**

**Federal or State**

July 2015- June 2020	Principal Investigator, NH Occupational Health Surveillance Program National Institute for Occupational Safety and Health \$725,000
July 2016 – June 2019	Researcher (10% FTE) CDC-RFA-DD16-1603: Improving the Health of People with Mobility Limitations and Intellectual Disabilities through State-based Public Health Programs. The New Hampshire Disability and Public Health Project, US DHHS, National Center on Birth Defects and Developmental Disabilities, Centers for Disease Control and Prevention, \$2,000,000
July 2010-June 2015	Principal Investigator, NH Occupational Health Surveillance Program National Institute for Occupational Safety and Health \$600,000

## Foundations

- April 2017-Dec 2017                      Opportunity Grant of \$10,355 was approved by the Endowment for Health Board of Directors to fund Needs Assessment Workshop on Health and Safety Training for People with Intellectual and Developmental Disabilities.
- Oct 2011-Sept 2012                      Researcher, "Filling the Data Gap: A survey to better understand health disparities at work" in partnership with NH Coalition for Occupational Safety and Health. NH Endowment for Health, \$20,000

Armenti, K., (November 2004). *Importance of including construction worker safety and health in green building: An integrated approach*, Oral Presentation, Built Environment Institute, American Public Health Association Annual Meeting, Washington, D.C.

Armenti, K., (November 2003). *Pollution prevention and worker health: Collaborating across three states to prevent shifting the risk*, Oral Presentation, American Public Health Association Annual Meeting, San Francisco, CA.

Armenti, K., (November 2002). *Web-based integrated worker safety and health and pollution prevention program called "Small Business Safety Officer" (SBSO)*, Oral Presentation, American Public Health Association Annual Meeting, Philadelphia, PA.

Armenti, K., (November 2001). *The inability of OSHA and EPA coordination of occupational and environmental health concerns and how pollution prevention can serve as a model of primary prevention within both OSHA and EPA policy framework*, Oral Presentation, American Public Health Association Annual Meeting, Atlanta, GA.

Armenti, K., (November 2000). *Primary Prevention: The Integration Concept of Occupational and Environmental Health*, Oral Presentation, American Public Health Association Annual Meeting, Boston, MA.

## **TEACHING**

UNH PHP 934, Work Environment Policy and the Health of Workers, University of New Hampshire, Master of Public Health Program, Summer 2003 to 2015, and 2019.

UNH PHP 902, Introduction to Environmental Health, University of New Hampshire, Fall 2001 to 2009.

UNH PHP 998, Integrating Seminar, University of New Hampshire, Spring 2016 and 2018.

Dartmouth College, Winter Semester, 2017-2019, Co-Instructor, Environmental Health Science Course, Master of Public Health Program

## **Guest Lectures**

Integration of Occupational and Environmental Health – a Historical Perspective, University of New Hampshire, HMP 715, Environmental Health, Spring Semester, 2010-2019.

Introduction to Occupational Health, UNH PHP 902, MPH Program, Environmental Health, Fall Semester, 2009-2017 and 2019.

Introduction to Occupational Health, Keene State College, HLSC 305 Epidemiology in Health Science, Spring Semester, 2012, and 2014 -2017.

Occupational Health Surveillance, Keene State College, SAFE-603-01 Applied Occupational Health, Fall Semester, 2011 to 2016.

## **COMMUNITY SERVICE**

2010 – 2013, NH Food Bank and Soup Kitchen, Volunteer

## **UNH-Wide, School-Wide, or Departmental Leadership Roles**

2017-present Member, Strategic Council, Institute on Disability, College of Health and Human Services, UNH

## **Local, State, and National Committees and Boards**

2018-present Member, Governor’s Recovery Friendly Workplace Initiative Advisory Council  
2018-present Member, Health Working Group of the NH Air National Guard of the Pease Air National Guard Base  
2015-present Member, Technical Advisory Committee, Environmental Public Health Program, NH Department of Health and Human Services  
2014-present Member, NH Injury Prevention Advisory Council, NH Department of Health and Human Services  
2013-present Member, NH Public Health Emergency Plan, Worker Safety and Health, NH Department of Health and Human Services  
2014-2019 Member, National Institute for Occupational Safety and Health (NIOSH) Board of Scientific Counselors  
2011-2014 Chair and Board Member, NH Coalition for Occupational Safety and Health  
2011-2014 Board Member, Center for the Promotion of Health in the New England Workplace (CPH-NEW)  
2005-present Chair and Advisory Board, Department of Work Environment, University of Massachusetts Lowell  
2008-2012 Advisory Board, School of Health and Environment, University of Massachusetts Lowell  
2006-2015 CSTE-NIOSH Sub-Committee Member, Leadership Committee  
2003-2007 President and Board Member, New Hampshire Public Health Association

## **Memberships in Professional Associations**

March 2007-Present American Public Health Association  
June 2007-Present Member, Council of State and Territorial Epidemiologists  
April 2005 – Present Member, New Hampshire Public Health Association

## **Editorial and Review Activities**

2010-Present Co-Chair, Editorial Board, New Solutions Journal  
2007 and 2008 Scientific Reviewer: NIOSH NORA Peer Review (National Institute for Occupational Safety and Health) Extramural Program

## **Granting Agency Review Activities**
