The New Hampshire Leadership Series
Fundraiser Gala
NH Leadership Changes Lives...

The NH Leadership Series is an innovative annual training program that graduates up to 35 leaders who work to improve the lives of people who have disabilities and their families. The 8 monthly sessions provide pivotal change experiences where they learn, are challenged, and discover what else they can do as leaders.

Leadership grads, 1000 strong, are problem solvers in every facet of community life.

Sponsorships help ensure funding to create positive change for more people with disabilities and their families. See how you can sponsor on next page!

See Graduates in action as:

• Members of Boards of Director, state and local councils, town boards
• Advocates and school board members, state and federal legislators, former NH State Governor.
• Employees/directors/organizers in state and community service agencies

I’d served on boards before, chaired committees, held workplace leadership positions, but nothing I’d experienced in life taught me more about effective & impact-driven leadership than NHLS. In less than a year I connected to an entire statewide community of amazing, resilient, intelligent people. People who taught me how to create, effect and change legislation. People who understood the disability rights movement is indeed, a battle for civil rights.

Leadership gave me the tools and the confidence to see something I don’t like and to help change that. I feel so proud that not only can I help to advocate for my brother’s wishes – I can help him learn how to advocate for his own.
