Description

A three-day, in-depth training on the Resilience, Empowerment, and Natural Supports for Education and Work (RENEW™) model and process.

RENEW is a youth-directed planning and support process designed to meet the needs of young people with emotional and behavioral challenges transitioning from school to adult life.

Through group activities and instruction, learn to engage youth, facilitate personal futures planning through mapping, develop individualized teams and resources, direct the RENEW team process, conduct school-to-career planning, and empower youth to lead the process. Participants will leave with the knowledge and skills to implement RENEW in their practices.

This training is the first step in full implementation of RENEW, which also includes receiving coaching and establishing an implementation team to oversee the work.

Agenda

Day 1: Orientation to the RENEW Process, youth and family engagement, personal futures planning.

Day 2: Team facilitation, progress monitoring, resource development, and transition strategies.

Day 3: Problem-solving for facilitators, education and support strategies, employment supports, and planning for adult living and careers.

Who Should Attend

Middle/high school general and special educators, para-educators, psychologists, mental health workers, health care providers, social workers, and youth and family counselors supporting youth ages 14–25.

*In-Person Event Protocols

Coffee/tea, water, and lunch provided. Participants may bring their own prepared breakfast and/or snacks.

We will practice social distancing and pay careful attention to cleaning/sanitizing surfaces. UNH and NHADACA do not require visitors to wear masks, but we welcome and encourage those who are able to wear a mask to do so. Masks provided on request.

Event Policies: Payment or a copy of a purchase order is due on the day of or prior to the event. To receive a full refund, cancellations must be made in writing seven (7) days prior to the event.
