Providing Health Care & Screenings to Individuals with Disabilities

Describe disparities in health experienced by people with disabilities;

Recognize barriers people with disabilities face when accessing health care & preventive services;

Acquire strategies & approaches to provide disability-competent, responsive care.

Accessible & Adaptive Communication

Learn how to presume that patients with disabilities are competent to understand, communicate, and participate in their own care;

Identify and use alternative methods of communication;

Set clear and reasonable expectations for future communications to be successful.

All courses are available online and on demand.
