

Your Training is Worth College Credit

Earn Your Degree at Granite State College

Get Credit for the UNH Institute on Disability Leadership Series

College transfer credits aren't limited to what you earned in the classroom. Granite State College has assessed the UNH Institute on Disability Leadership Series training for college credit to help you advance your education and career goals.

Select a Degree Program

When you apply to Granite State College, you can transfer in up to (9) college credits from your Leadership Series training, saving you time and money on your bachelor's degree. Choose from programs such as:

- B.S. Business Management
- B.S. Human Services
- B.S. Psychology

Affordable Tuition

Our tuition and fees are among the lowest in the region. Financial aid is available for qualified students and you may be eligible for scholarship opportunities. Ask an advisor for details!
