

## **PARTICIPANTS NEEDED FOR STUDY ON JOB CRAFTING**

We are looking for volunteers to take part in a study to develop and test a program to help people to re-envision and refine aspects of their job.

You may be eligible to participate if you:

- (1) Are 18-64 years of age;
- (2) Experience a physical or health condition that limits your work performance;
- (3) Are currently working or returning to work;
- (4) Have at least 1 year of work experience; and,
- (5) Are NOT participating in an workers' compensation program.

Your participation would involve completing two interviews and weekly job crafting exercises and online surveys for six weeks.

Participation can occur remotely – you do not need to live in New Hampshire.

In appreciation for your time, you will receive up to \$100.

For more information or to volunteer for the study, please contact:
