

## CURRICULUM VITAE

**Dr. THERESE M. WILLKOMM, PH.D., ATP**

e-mail: theresew@unh.edu

### **PROFESSIONAL EXPERIENCE**

- Aug[FA1] 2005 To Present**     **DIRECTOR OF NH-ASSISTIVE TECHNOLOGY STATE PROGRAM**  
 Institute on Disability, University of New Hampshire, Durham, NH
- Develop, implement, and manage Assistive Technology programs with providers in New Hampshire; develop and implement a statewide Assistive Technology Training Cooperative; oversee development and implementation of statewide assistive technology policies
- ASSOCIATE CLINICAL PROFESSOR**  
 Department of Occupational Therapy; University of New Hampshire, Durham, NH
- Teach 12 credits in Assistive Technology and two Human Movement Labs; Coordinator of Graduate Certificate Program in Assistive Technology; oversee minor in Disabilities Studies
- Sept. 1997 to 8-2005**     **EXECUTIVE DIRECTOR**  
 ATECH Services - An Alliance for Assistive Technology, Education and Community Health Services, Laconia, New Hampshire: Using Technology to Achieve Life's Goals at Home, School, Work, and Play
- Direct and oversee all programs including: Clinical, Service, and Research and Training ; overseeing the development of new programs and services, obtain funding for new and existing programs, conduct state and national presentations; develop assistive technology training materials; conduct assistive technology worksite assessments. ATECH Services is the largest assistive technology organization in New Hampshire employing over 30 occupational therapists, physical therapists, speech and language pathologists, rehabilitation technologists, and educators. Annual operating budget - 2 million dollars
- Sept. 1997 to 8-2005**     **ADJUNCT ASSISTANT PROFESSOR**  
 Department of Occupational Therapy, University of New Hampshire, Durham  
 Developed and taught three, four credit Assistive Technology Graduate courses each year . (On contract for 12 credits a year).
- Sept. 2000 To 2005**     **ASSISTIVE TECHNOLOGY PROJECT CONSULTANT**  
 National AgrAbility Project  
 University of Wisconsin – Madison
- Provide technical assistance consultation on agricultural worksite modifications; conduct national presentations on agricultural worksite modifications; develop technical materials related to farming and ranching with a disability for national dissemination.
- Sept. 1997 to Present**     **DIRECTOR OF NEW HAMPSHIRE ASSISTIVE TECHNOLOGY PARTNERSHIP PROJECT**  
 Institute on Disability - University of New Hampshire UAP, Durham New Hampshire
- Oversee all aspects of the New Hampshire Tech Act Project including: low interest loan program, new policy development, educational material development, assistive technology advocacy, workshops and training.
- Jan, 1990- To Present**     **ASSISTIVE TECHNOLOGY CONSULTANT**  
 Self-employed;
- Consulted with groups in rehabilitation and assistive technology programs . Provided training and presentations in 42 states; wrote and managed federal grants; conducted work site assessments for

employees with disabilities, completed over 200 work site evaluations for major corporations.

Aug. 1993 - **RESEARCH ASSOCIATE**  
May 1996 University of Pittsburgh; Pittsburgh, Pennsylvania

Conducted research and training in rehabilitation technology; developed and taught graduate level course: Rehabilitation Technology and Employment; secured funding for research activities.

Jan. 1993 - **REHABILITATION ENGINEERING MANAGER**  
Aug. 1993 National Rehabilitation Engineering Institute for Productivity, dba Andrews Machine Works; Erlanger, Kentucky

Provided rehabilitation engineering services to farmers with disabilities; conducted on-site rehabilitation engineering assessments of residences and work sites; managed projects; supervised staff; wrote grants; conducted rehabilitation engineering related training programs; provided consultations on ADA guidelines and reasonable accommodations; conducted ergonomic evaluations.

Dec. 1986 - **DIRECTOR OF FARM FAMILY REHABILITATION**  
Dec. 1992 **MANAGEMENT (FaRM ) PROGRAM**  
Easter Seal Society of Iowa, Inc.; Des Moines, Iowa

Responsible for initial development of the program; wrote grants, developed and implemented subcontracts; supervised staff; developed mobile rehabilitation engineering unit; provided rehabilitation services to farm families affected by physical disabilities; provided consultations on agricultural work site modifications; presented at local, state, regional, national and international meetings on disability related issues; developed written and audio-visual materials; conducted research activities focused on prevention of secondary injuries and assistive technology service delivery systems.

Jan. 1985 - **ADJUNCT FACULTY INSTRUCTOR**  
Dec. 1992 Rehabilitation Institute, Drake University; Des Moines, Iowa and

Rehabilitation Counseling Department, Mankato State University; Mankato, Minnesota

Instructed graduate level students in the following areas: Job Analysis, Work Site Accessibility, Rehabilitation Engineering, Work Station Design; coordinated student projects related to the above areas.

Sep. 1984 - **REHABILITATION CONSULTANT - FaRM PROGRAM**  
Nov. 1986 **DIRECTOR**  
(On leave Management Consulting and Rehabilitation Services, Inc.; Ankeny, Iowa  
Mar. 1985 -  
Jan. 1986)

Developed and directed Farm Family Rehabilitation Management Program (for farm families affected by physical disabilities); provided consulting to industry on job modification and disability prevention; conducted labor market research studies; developed audio-visual materials; conducted presentations on disability issues; developed computerized system for data management; provided job placement services for a controlled number of clients.

Mar. 1985 - **PROJECT COORDINATOR**  
Jan. 1986 Breaking New Ground, Department of Agricultural Engineering, Purdue University; West Lafayette, Indiana

Consulted on agricultural work site modifications for farmers with physical disabilities; organized and conducted workshops and presentations; developed written and audio visual materials; supervised project assistants; conducted nationwide farm visits.

Jun. 1983 - **ADJUSTMENT COUNSELOR**  
Aug. 1983 Program for Independent Living, University of Wisconsin - Stout; Menomonie, Wisconsin

Managed physical disabilities case load; conducted assessments; developed individualized independent living plans; coordinated and provided independent living services.

Aug. 1982 - **COMMUNITY SERVICES TRAINER**  
 May 1983 Program for Independent Living, University of Wisconsin - Stout; Menomonie, Wisconsin

Designed and implemented the Personal Care Assistance Program; created and instituted a rural-based peer counseling program; presented awareness and sensitivity training programs; responded to technical assistance requests on disability related issues; developed three comprehensive training manuals; supervised field experience of students.

Dec. 1982 - **THERAPEUTIC RECREATION COORDINATOR**

Founded program, wrote grants; raised funds; recruited, interviewed, screened, and trained advocates; matched advocates and proteges; monitored relationships, conducted educational programs.

## **EDUCATION**

Apr. 1997 Ph.D. Rehabilitation Science, School of Health and Rehabilitation Sciences, University of Pittsburgh; Pittsburgh, Pennsylvania

Apr. 1997 Certificate in Rehabilitation Technology; University of Pittsburgh; Pittsburgh, Pennsylvania

Apr. 1997 Certificate in Rehabilitation Technology Service Delivery; University of Pittsburgh; Pittsburgh, Pennsylvania

Aug. 1984 M.S. Vocational Rehabilitation Job Development/Job Placement, Drake University; Des Moines, Iowa

May 1982 B.S. Vocational Rehabilitation (Summa Cum Laude), University of Wisconsin-Stout; Menomonie, Wisconsin

May 1982 B.S. Special Education, University of Wisconsin - Stout Menomonie, Wisconsin, Wisconsin Certified K-12

## **CREDENTIALS**

June- 1997 **ATP - RESNA Certified Assistive Technology Practitioner**

## **GRANT AWARDS**

### **RESEARCH<sup>[FA2]</sup> GRANT AWARDS (Principal Investigator)**

- iCreate for Paralysis – Christopher Reeve Foundation \$75,000- April 2017 to April 2018
- Christopher Reeve Grant – ICreate for Paralysis –Ended July 2018
- SEAT Grant – UNH DOE Early Childhood Education Funding from July 1, 2018 to end in December 2019

- ATinNH – Grant - \$434,000 – Ongoing
- Maker’s Fair grant Submitted to and Funded By DD Council – Received \$2,500 September 2018
- Proposal to Conduct Tech Camp for UNH – Submitted December 2017 and approved for \$2000 June 2018
- Proposal to and Funded by Gilford School District for \$2,000 for a two day Summer Assistive Technology Workshop July 2018
- Submitted second Quality of Life Grant for \$100,000 to the Christopher Reeve Foundation for a Blue Apron approach to providing remote assistive technology services
- Raised \$14,000 in sale of my book for purchasing assistive technology devices
- Raised \$33,000 in external funding as a result of the 2018 AT Maker’s Fair
- Statewide Assistive Technology Program ATinNH– over \$400,000 a year. Grant Funded from 2005 to Present
- IRC Grant for \$100,000 with Velcro to fund the development of a new product – 2013 not funded
- Receive \$3,000 in Velcro Products for promoting new book - 2013
- SEAT Grant with Early Childhood Education, Special Education at the UNH Education Department. Grant will Fund 40 students to obtain a graduate Certificate in Assistive Technology 2012
- Becoming an Assistive Technology McGyver – Federal Stimulus Grant 2010
- Beyond Duct Tape and Velcro – Creating Assistive Technology Solutions in Minutes Part II - 2009 – The Gibney Family Foundation
- East Fellowship Mentor, 2007 for Assisting two undergraduate students in conducting assistive technology research..
- Assistive Technology Train the Trainer Program, 2007, The Gibney Family Foundation
- Assistive Technology Outcomes Research, 2006, The Gibney Family Foundation
- Make a Difference Today – Assistive Technology in Minutes, 2005, The Gibney Family Foundation
- Assistive<sup>[FA3]</sup> Technology in New Hampshire Program, 2005 to Present, Rehabilitation Services Administration
- Universal Course Design – Equity in Excellence – 2006 to Present, Office of Special Education and Research – Contract with UMASS-Boston
- Assistive Technology Solutions in Minutes, 2003, Independent Living Research Utilization Program
- Ergonomic Risk Factors and Equipment Modifications, 1995, National Institute on Disability and Rehabilitation Research
- The “AT RISK” Accommodation Project, 1993. \$600,000 three year grant award from the Rural Outreach Grant, US Department of Public Health
- Assistive Technology Secondary Injury Prevention; 1990; Three year grant award, Center for Disease Control (Subcontract with the Injury Prevention Center, University of Iowa)
- A Consumer Responsive Approach in the Application of Rural Rehabilitation Technologies; 1989; two year grant from the National Easter Seal Research Foundation.
- Application of Rural Rehabilitation Technology: A Community-Based Approach; 1987; one year grant from the National Institute on Disability and Rehabilitation Research.

#### **NATIONAL GRANT AWARDS<sup>[FA4]</sup>**

- Assistive Technology Solutions in Minutes – Achieving Spontaneity and Dignity for All – The Gibney Foundation – 2004, 2006, 2009, 2011
- The Dole Foundation for Employment of Persons with Disabilities; Development of Mobile Service Delivery Unit
- The Kellogg Foundation; Prevention of secondary injuries and illness among agricultural producers affected by physical disabilities
- Rehabilitation Services Administration; Community Based Approach to Application of Assistive Technology (3 years)
- United States Department of Agriculture; AGRABILITY Projects - Iowa, Kentucky, New Hampshire

#### **OTHER GRANT AWARDS**

- Land O' Lakes, Inc.
- John Deere & Company, Inc.
- Archer Daniel Midlands, Inc.
- Iowa Farm Bureau Charitable Trust
- The Principal Foundation

- The Mid Iowa Health Foundation
- Independent Living Research Utilization
- The Developmental Disabilities Council
- The Gibney Family Foundation
- Franklin Savings Bank
- The Endowment for Health
- The Institute on Disabilities
- The New Hampshire Technology Partnership Project
- The Bean Foundation
- The New Hampshire Charitable Foundation
- Granite State Independent Living
- New Hampshire Department of Education

### **SPECIAL PROJECTS AND ACCOMPLISHMENTS**

- Developed an Evaluation and Intervention “How-to” DVD with 150 video clips (2008)
- Established an ATinNH YouTube Channel and created over 250 “How-to” Video Clips (2008)
- Developed a PVC Transformer Kit with 23 components for assembly into 20 different assistive technology solutions (2009)
- Set up of a mobile iPad lab for teaching of apps for people with disabilities (2010)
- Developed a Companion DVD for Book 2 – AT in Minutes – Ordinary Items Extraordinary Solutions (2013)
- Invented the Eileen Series – 6 Different products fabricated with corrugated plastics – Presented plans and videos for others to use to fabricate their own Eileens and over 500 Eileens have been fabricated.
- Inventor of the Eileen over 10,000 developed and used through out the world (2015)
- Invented the Thumb Twiddler and submitted to UNH office of intellectual property for possible patent (2016)
- Invented the Walker Hook and submitted to UNH office of intellectual property for possible patent (2016)
- Creates 114 new assistive technology solutions for individuals with disabilities during fiscal year 2015-2016 UNH Summit on Assistive Technology, Founder and Chairperson. (September 2016).
- Created 210 new assistive technology solutions for individuals with disabilities during fiscal year 2016-2017
- Developed the on-line Graduate Certificate in Assistive Technology Program – Dec 2017
- Invented the Dec-Eileen – a Multi-Use portable device that transforms into 10 different assistive technology devices to support individuals who experience physical, sensory or cognitive impairments 2017
- Invented the Sushi Susan – a hands free eating solutions for sushi for individuals who have no use of upper extremities, January 2018
- AT Makers Day – Assistive Technology Industrial Association Annual Conference Jan 2018 – Provided a Makers Booth on Solutions created with Instamorph and Corroplast
- Founder of the AT Maker’s Day Expo and Conference – September 2018 Graconi Conference Center, Concord NH

#### **1. CREATIVE<sup>[FA5]</sup> WORK for 2018 2019**

- a. Increased the number of device loans and demonstrations provided by UNH through ATinNH by over 35% over the previous year
- b. Created 4000 assistive technology device kits for the 2018 National Maker’s Fair – September 2018
- c. Planning for the first ever National Assistive Technology Maker’s Fair to be held September 29, 2018 in Concord, NH
- d. Created 33 new assistive technology inventions
- e. Designed, fabricated and delivered over 150 devices to individuals with disabilities throughout NH
- f. Added three new statewide Partners – Easter Seals, ALS Association, NH Future Insight
- g. Held four assistive technology open houses – Two in the Fall2018 and Two in the Spring 2019

#### **a. Training Curricula**

- b. Created<sup>[FA6]</sup> 2 New Courses
  - i. OT 835 Assistive Technology and Communication and Cognitive Impairments – August 2018 and
  - ii. OT 836 Assistive Technology for Vision and Hearing Impairments – October 2018

- c. Other [FA7] Dissemination Materials (etc. brochures, reports, etc.)
  - i. Fabrication Tools and Materials for Creating Assistive Technology Solutions in Minutes
  - ii. Making Assistive Technology in Minutes – 52 How-to Videos Published on YouTube
  - iii. Invented the PVCeeMo – Multi-use device for holding assistive technology solutions and for teaching assistive technology August 2018
  - iv. Invented and Disclosed to UNH Innovations – Gripper Loop – a new product to work with Velcro Brand One Wrap

#### **SPECIAL PROJECTS AND ACCOMPLISHMENTS Prior to August 2005**

- Developed and disseminated a mini-MacGyver Tape kits for quick AT solutions on the fly
- Developed and disseminated a Switch Kit
- Developed a Leaner
- Assistive Technology Solutions in Minutes – Make A Difference Today: Over 600 color photos - A how to book on low cost assistive technology (A.T.) solutions and rapid prototyping in five minutes or less. This publication is approximately 200 pages and an excellent resource for students and faculty interested in fabrications tools, materials and resources for constructing A.T. Solutions
- Developed A.T. Tool Kits and Instructional Videos on Assistive Technology Solutions in Minutes for world wide distribution.
- Developed three multimedia CD-ROM kits on Rehabilitation Technology for state supported programs in Ohio, Kentucky, and Iowa
- Co-Developed the "Hands-on" traveling exhibit (40ft. x 20ft.) featuring Innovative Technologies for Completing Work Tasks (over 50 technologies were included for clients and service providers to try out; e.g. back saving solutions, hand tool adaptations, outdoor mobility aids, pig jig, tractor lift, hand controls, adjustable work bench, portable tool organizer, automatic hitch device for agricultural equipment)
- Developed an adjustable hand control for agricultural equipment for evaluation purposes
- Organized and conducted two national conferences on Progress in Farming with a Physical Disability
- Developed two computerized management information systems
- Developed a large resource library on rural assistive technologies
- Organized and conducted a state conference on Technology for the Future
- Compiled a slide/tape set on modifications for agricultural equipment for farmers with disabilities
- Developed an instructional video on farming safely with a physical disability
- Secured funding for high tech video equipment to improve the delivery of rehabilitation technology services.
- Founded the Iowa Rehabilitation Technology Alliance
- Developed the first Mobile Rehabilitation Technology Service Unit in the state of Iowa
- Founder of Dunn County Citizen Advocacy
- Founder and faculty advisor for Purdue University's Juggling Club

#### **SPECIAL HONORS AND AWARDS**

- (2018) Recipient of the 2018 RESNA Fellow Award
- (2017) UNH President's Award for Diversity
- (2017) The Governor's Accessibility Award
- (2016) Recognized by President Obama for the invention of the Obama-Lean (2016)
- (2016) 101 Assistive Technology Solutions Made from Discarded Election Signs – appeared in 256 Newspaper Nationally; over 1,200 Likes on Social Media and over 100,000 hits on UNH website and appeared on four different TV stations and Boston Globe and carried by the Associated Press
- 2015 Deans Choice Award for Outstanding Accomplishments in the field of Assistive Technology – Presented by the School of Health and Rehabilitation Services – University of Pittsburgh
- Selected as Beta Tester for Google Glass – July 2013
- Assistive Technology Innovations Award – Presented by Georgia Tools for Life June 2013
- US Patent for the AT Stand – March 2013
- New Hampshire Occupational Therapy 2006 Recognition Award
- Wall of Success. (2006) *Central High School, Salem WI*
- ASAE Blue Ribbon Award in Educational Material Competition. (2005) *American Society of Agricultural Engineers*
- Outstanding Graduate Award, 2004, University of Wisconsin – Stout, Department of Rehabilitation and Counseling and the Stout Vocational Rehabilitation Institute

- National Breaking New Ground Award, National Rural Assistive Technology Conference; Indianapolis, Indiana, March 1996
- National Mentor and Advisor Board Member - Disability Research Encompassing American Indians in Math and Science, Grand Forks, North Dakota, 1996
- National Switzer Fellow, National Institute on Disability and Rehabilitation Research, Nov. 1995
- Outstanding Young Alumni Award, University of Wisconsin-Stout, 1991
- National SIG Award from the Rehabilitation Engineering Society of North America, 1992
- Testimony to U.S. House of Representatives Agriculture Subcommittee, 1990
- Switzer Memorial Scholar on "Technology and Employment of Persons with Disabilities", 1989
- Founder and President of Iowa Rehabilitation Technology Alliance, 1989
- Iowa Special Education Advisory Panel, 1989
- National Programs in Innovations Award – Presented by the National Easter Seal Society 1989
- Communicators Recognizing Achievement Award for Community Involvement, 1989
- Iowa Disability Prevention Project Advisory Committee, 1989
- Missouri Arthritis Rehabilitation Research Center Advisory Council, 1989
- American Society of Agricultural Engineers, Blue Ribbon Award for an Outstanding Entry in the 1986 Educational Aids competition - Title of Exhibit "Agricultural Tools, Equipment, Machinery, and Buildings for Farmers with Physical Handicaps, Volume I".
- Young Women of America Award, 1984

### **CONSULTING<sup>[FAB]</sup> PROJECTS**

- Grant reviewer for:
  - U.S. Department of Education - Rehabilitation Services Administration
  - 12 Times - National Institute on Disability and Rehabilitation Research
  - Paralyzed Veterans Association.
  - USDA
- Grant Manger: USDA
- Expert Witness on Rural Rehabilitation Technology
- Program Developer, Trainer and Evaluator:
  - Pioneer Vocational and Industrial Services, Danville, Kentucky
- Consultant and Trainer in Rehabilitation Technology:
  - Ohio Commission on Rehabilitation Services
- Program Consultant:
  - The Easter Seal Societies in Tennessee, Iowa and Texas
- Velcro International: Suggestions on product improvement and training for research development staff
- FCI International: Development of a new power tool for electric line workers
- The Home Depot: Categorizing products for that can benefit individuals affected by various functional limitations.
- Lowes: Categorizing products for that can benefit individuals affected by various functional limitations.
- Modularhose.com: Development of assistive technology products using Loc-Line (2010)
- Speak4You: Development of a new environmental control unit (2010-2011)

### **MEMBERSHIPS AND AFFILIATIONS**

**Current** Rehabilitation Engineering Society of North America (since 1985)  
 2008 to 2012 Member of the RESNA Consumer Complaints Committee  
 2008-2010 SIG Chair of the Job Accommodation SIG  
 1996 - 1999 elected member of the Board of Directors  
 1991 SIG Chair of the Service Delivery SIG  
 1990 and 2005 SIG Chair of the Rural SIG  
 Iowa Farm Safety Council (1984 - 1992)  
 1987, elected member to the Board of Directors  
 1986 Chairman of the Rural Occupational Health and Safety Committee

## **LEADERSHIP ACTIVITIES**

- Board Member – National RESNA Organization 2017 to present
- Chair of the Job Accommodation SIG- RESNA Organization (2008-2010)
- Chair of the Rural SIG – National RESNA Organization (2006)
- Vice Chair of the Job Accommodation SIG – National RESNA Organization (2006 to 2008)
- Vice Chair of the national Steering Committee for the National Assistive Technology Technical Assistant Project – Washington D.C. (2006)
- Conducted eight NIDRR Grants Peer Reviews (April 2006 – June 2007)
- Chair of scientific paper reviews for Workplace Accommodations (2007 to 2008)
- Member of Governor’s Task Force on Employment and Disability (2006 to 2007)
- Member of State Task Force on Transition and Students with Disabilities (2006 to 2008)

## **CERTIFICATIONS**

- Aug 1997-Pres Certified Assistive Technology Practitioner - Rehabilitation Engineering Society of North America
- April 1997 Certificate in Rehabilitation Technology; University of Pittsburgh; Pittsburgh, Pennsylvania
- April 1997 Certificate in Rehabilitation Technology Service Delivery; University of Pittsburgh; Pittsburgh, Pennsylvania
- April 1985 Certified Insurance Rehabilitation Specialist(CIRS), Board of Rehabilitation Certification; Chicago, Illinois
- May 1982 Certification in Secondary Special Education, University of Wisconsin-Stout; Menomonie, Wisconsin

## **AUDIO-VISUAL PRODUCTIONS PRIOR TO AUGUST 2005**

- Assistive Technology Solutions in Minutes – Instructional Video – 2003
- 82 Instructional Power Point Presentations on Technology for People with Disabilities 1997-2005
- Farming Safely with a Disability, Video 1993
- Assistive Technology for the Rural Elderly, Video 1992

- Rehabilitation Engineering For Carpal Tunnel and Thoracic Outlet Syndrome for Mountaire Poultry Processing Plant; Selbyville, Delaware, July 1984

#### **Overview<sup>[FA9]</sup> of Workshops and Presentation Conduct since being at the University of New Hampshire August 2005 to June 2018**

I have organized these presentations and workshops into the following themes related to home, school, work and play

- Assistive Technology Presentations and Workshops (General)
- Fabricating Assistive Technology Solutions in Minutes
- Assistive Technology to Promote Independent Living
- Assistive Technology to Increase Educational Success
- Assistive Technology and Employment
- Assistive Technology and Agricultural Worksite Modifications
- Ergonomic Worksite Accommodations
- Assistive Technology for Recreation and Play

#### **General Assistive Technology Presentations and Workshops**

Willkomm, T.M. (2006, July 25) *Assistive Technology and Inclusion For Persons with Disabilities*  
Presented at University of Colorado - four days on-line distance education course, Boulder, CO

Willkomm, T.M. (2006, October 26) *Assistive Technology Solutions For Home, School, Work, and Play*  
Presented at Munson Assistive Technology Center Regional AT meeting, Munson, MA

Willkomm, T.M. (2007, February 9) *Assistive Technology and Leadership Training*  
Presented at New Hampshire Leadership Network IOD, Manchester, NH

Willkomm, T.M. (2007, March 26) *Assistive Technology and Inclusion For Individuals with Disabilities*  
Presented at University of Colorado, on-line distance education course, Boulder, CO

Willkomm, T.M. (2007, August 7) *Assistive Technology in NH Train the Trainer*  
Presented at New Hampshire's Summer Assistive Technology Institute; Canterbury, NH

Willkomm, T.M. (2007, August 20) *Assistive Technology for Home, School, Work and Play*  
Presented at Czech Republic Occupational Therapy Association; Prague, Czech Republic

Willkomm, T.M. (2007, October 24) *Overview of Assistive Technology and Rehabilitation Engineering*  
Presented at Intro to Engineering Class at UNH; Durham, NH

Willkomm, T.M. (2007, October 25) *Assistive Technology and Electrical Engineering*  
Presented to Electrical Engineering Students at UNH; Durham, NH

Willkomm, T.M. (2007, November 20) *Overview of Assistive Technology and Occupational Therapy*  
Presented at Guest Lecturer in the Human Movement Course; Durham, NH

Willkomm, T.M. (2007, November 28) *Overview of Assistive Technology Solutions*  
Presented at Inquiry course entitled Right To Be Disabled; Durham, NH

Willkomm, T.M. (2007, December 12) *Overview of AAC devices and services in NH*  
Presented at Strafford Learning Center; Somersworth, NH

Willkomm, T.M. (2008, February 9) *Assistive Technology in New Hampshire*  
Presented at Concord Public Television; Concord, New Hampshire

Willkomm, T.M. (2008, February 16) *Overview of Assistive Technology resources in NH*  
Presented at New Hampshire Leadership Series Workshop; Hampton Beach, NH

Willkomm, T.M. (2009, January 9) *Assistive Technology in New Hampshire*  
Presented at Concord Public Television; Concord, New Hampshire

Willkomm, T.M. (2009, February 14) *Assistive Technology in NH*  
Presented at New Hampshire Leadership Series; Hampton Beach, New Hampshire

Willkomm, T.M. (2010, March 25) *Introduction to Assistive Technology*  
Presented at OT444 Class; Durham, NH

Willkomm, T.M. (2010, May 13) *There's an App for That - Apps for People with Disabilities*  
Presented at Assistive Technology Workshop Series; Concord, NH

Willkomm, T.M. (2010, June 1) *Accommodating Students who Experience Physical Disabilities*  
Presented at Hollis High School; Hollis, NH

Willkomm, T.M. (2010, July 15) *There is an App for That*  
Presented at Summer Assistive Technology Institute; Concord, NH

Willkomm, T.M. (2010, August 11) *There is an App for That*  
Presented at Autism Summer Institute; Nashua, NH

Willkomm, T.M. (2010, September 29) *Overview of Assistive Technology*  
Presented at Easter Seals Early Supports and Services; Raymond, NH

Willkomm, T.M. (2010, October 10) *There's an App for That*  
Presented at Assistive Technology Workshop Series; Concord, NH

Willkomm, T.M. (2011, January 26) *There is an App for That - Apps for People with Disabilities.*  
Presented at New Hampshire Department of Health and Human Services; Concord, NH

Willkomm, T.M. (2011, January 26) *There is an App for That - Apps for People with Disabilities*  
Presented at ATIA National Conference; Orlando, FL

Willkomm, T.M. (2011, January 31) *There is an App for That - Apps for People with Disabilities*  
Presented at Lake Region Community Services Council; Laconia, NH

Willkomm, T.M. (2011, March 1) *There is an App for That - Apps for People with Disabilities*  
Presented at Stephen Licktenstien - Education Course UNH; Durham, NH

Willkomm, T.M. (2011, March 3) *Assistive Technology Across the Life Span*  
Presented to Sajay Athanot's Class; Durham, NH

Willkomm, T.M. (2011, May 11) *Assistive Technology for Easier Living, Learning and Working*  
Keynote Presented at Baton Rouge Community College Annual Conference; Baton Rouge, LA

Willkomm, T.M. (2011, May 13) *There's an App for That - Apps for People with Disabilities*  
Presented at Assistive Technology Workshop Series; Concord, NH

Willkomm, T.M. (2011, October 6) *Assistive Technology and Emergency Preparedness*  
Presented at New Hampshire Emergency Preparedness Conference; Concord, NH

Willkomm, T.M. (2012, December 3) *Assistive Technology for Home, Presented at School, Work, and Play*  
Presented at International Day of Persons with Disabilities, UNH, Durham, NH

Willkomm, T.M. (2012, December) *What's New in ATinNH*  
Presented at IOD Consumer Advisory Council, IOD PDC, Concord, NH

Willkomm, T.M. (2013, January 29) *iPAD Boot Camp*  
Presented at ATIA, Orlando, FL,

Willkomm, T.M. (2013, March 6) *101 USES FOR THE IPAD CAMERA*  
Presented at iPad After School Series, ATinNH, Concord, NH

Willkomm, T.M. (2013, March 7) *Awesome IPAD Apps, Adaptations, Accessories, and Resources*  
Presented at Good Shepherd Assistive Technology Center Spring Conference, Good Shepherd Hospital, Allentown, PA

Willkomm, T.M. (2013, May 15) *Assistive Technology an iPADS to Support Individuals who Experience Brain Injuries*  
Presented at Krempels, Portsmouth, NH

Willkomm, T.M. (2013, August 12) *iPADs and Disability a 4 Day Intensive Training*  
Presented at iPad Boot Camp, AT in NH, Concord, NH

Willkomm, T.M. (2013, August 24) *Creating Assistive Technology Solutions in Minutes*  
Presented exhibit at Mini Makers Fair, Dover, NH

Willkomm, T.M. (2013, September 25) *iPAD Boot Camp - Awesome Apps, Adaptations, and Accessories*  
Keynote Presented at Canadian Assistive Technology Conference, Regina Assistive Technology Committee, Regina, Canada

Willkomm, T.M. (2014, September 13) *Creating Assistive Technology Solutions in Minutes*  
Presented at Kansas Occupational Therapy Association Annual Conference, KOTA, Wichita, KS

Willkomm, T.M. (2014, September 23) *Voice Recognition*  
Presented at Assistive Technology Industrial Association, Chicago, IL

Willkomm, T.M. (2014, October 3) *50 Ways to Adapt the iPad*  
Presented at Infnitec, Chicago, IL

Willkomm, T.M. (2014, October 30)  
Presented at National Rehabilitation Association, Iowa Rehabilitation Association, Des Moines, IA

Willkomm, T.M. (2014, November 13) *Low Tech in a High Tech World*  
Presented at World Usability Day - New England, Assistive Technology for Education, Keene, NH

Willkomm, T. M. (2015, January 28) *iPad Boot Camp*  
Presented at Assistive Technology Industrial Association Annual Conference, Orlando, FL

Willkomm, T. M. (2015, January) *iPads and Aging*  
Presented at RESNA, Arlington, VA

Willkomm, T.M. (2015, February 19) *Awesome New iPad, Adaptations, Accessories and Resources*  
Presented at ATIA, Assistive Technology Industrial Association, Chicago, IL

Willkomm, T.M. (2015, April 13) *Awesome New Apps, Adaptations, and Resources*  
Presented at Missouri Assistive Technology Conference, Missouri Assistive Technology Program, Columbia, MO

Willkomm, T.M. (2015, May 5) *Assistive Technology After Dark*  
Presented at ATIA - Webinar Series, ATIA, Chicago, IL

Willkomm, T.M. (2015, May 21). *Managing Document Disorganization*  
Presented at Annual Cooperative Extension Conference, New Hampshire Cooperative Extension, Durham, NH

Willkomm, T.M. (2015, May 26). *iPAD Assistive Technology Boot Camp*  
Presented at Education Excellence Through Leadership, Capital Area Intermediate Unit, Philadelphia, PA

Willkomm, T.M. (2015, May 29). *iPAD Apps and Adaptations*  
Presented at PEAK Conference, PEAK Parent Center, Denver, CO

Willkomm, T.M. (2015, June 8). *Teaching Assistive Technology Online*  
Presented at TATN Conference, Houston Department of Education, Houston, TX

Willkomm, T.M. (2015, June 29). *Creating Adaptations for the iPad*  
Presented at Region 18 Educational Services, Middleton, TX

Willkomm, T.M. (2016, February 12) *Overview Of Assistive Technology Activities In New Hampshire*  
Presented at New Hampshire Leadership

Willkomm, T.M. (2016, April 13) *Assistive Technology, What's New And Cool Going On In New Hampshire;*  
Presented at All IOD meeting, University of New Hampshire; Durham, NH

Willkomm, T.M. (2016, April 26) *Assistive Technology Exhibit*  
Presented at Age of Champions; University of New Hampshire; Durham, NH

Willkomm, T.M. (2016, April) *Overview Of Assistive Technology;* Guest Lecturer, OT 444  
Presented at University of New Hampshire; Durham, NH

### **Presentations and Workshop on Fabricating Assistive Technology Solutions in Minutes**

Willkomm, T.M. (2005, September 25) *Beyond Duct Tape and Velcro*  
Presented at Rhode Island State Real Choices Conference, Warwick, RI

Willkomm, T.M. (2005, November 16) *Assistive Technology Solutions in Minutes*

Presented at Rhode Island State Assistive Technology Conference; Warwick, RI

Willkomm, T.M. (2005, December 14) *Constructing Assistive Technology Solutions with Epoxy putty and Acrylic*  
Presented at Regional Professional Development Day; Strafford Learning Center

Willkomm, T.M. (2006, February 4) *Assistive Technology Solutions in Minutes*  
Presented at Gibney Foundation Training for Families of Individuals with Disabilities; Meredith, NH

Willkomm, T.M. (2006, February 14) *Creating Assistive Technology Solutions in Minutes*  
Presented at West Virginia Annual Assistive Technology PATHS Conference; Charleston, WV

Willkomm, T.M. (2006, May 22) *Creating Worksite Accommodations on the Fly*  
Presented at Gibney Foundation Training for Job Coaches; four distance learning sites: Greenfield, Littleton, Boscawen, and Durham, NH

Willkomm, T.M. (2006, June 22) *Fabrication Tools and Materials for Creating Assistive Technology Solutions in Minutes*  
Presented at National RESNA Conference; Atlanta, GA

Willkomm, T.M. (2006, July 16) *Duct Tape Velcro and Beyond*  
Presented at University of Georgia Cooperative Extension Lunch and Learn Series, Athens Georgia

Willkomm, T.M. (2006, September 22) *Duct Tape Velcro and Beyond*  
Presented at New Hampshire Occupational Therapy Association Annual Conference, Concord, NH

Willkomm, T.M. (2006, October 11) *Assistive Technology Solutions in Minutes*  
Presented at ATECH Services Fall Workshop Series, Concord NH

Willkomm, T.M. (2006, November 13) *Duct Tape Velcro and Beyond*  
Presented at National Agrability Conference, Jackson, MS

Willkomm, T.M. (2007, January 18) *Duct Take Velcro and Beyond*  
Presented at University of Georgia Cooperative Extension Lunch and Learn Series, Augusta, GA

Willkomm, T.M. (2007, January 24) *Assistive Technology Solutions in Minutes*  
Presented at Assistive Technology Industrial Association Annual Conference, Orlando, FL

Willkomm, T.M. (2007, February 18) *Creating Assistive Technology Solutions in Minutes*  
Presented at West Virginia Annual PATHS Conference, Charleston, WV

Willkomm, T.M. (2007, May 10) *Duct Tape, Velcro and Beyond*  
Presented at New Hampshire Aging Conference, Bartlett, NH

Willkomm, T.M. (2007, June 15) *Beyond Duct Tape and Velcro – McGyver-IT in Minutes*  
Presented pre-conference at National Rehabilitation Engineering Conference of North America, Phoenix, AZ

Willkomm, T.M. (2007, June 25) *Duct Tape, Velcro and Beyond*  
Presented at Texas Annual Statewide Assistive Technology Conference, Houston, TX

Willkomm, T.M. (2007, June 28) *Beyond Duct Tape and Velcro – Advanced AT Workshop*  
Presented at Minnesota Up to the MN-AT Conference, Minneapolis MN

Willkomm, T.M. (2007, August 6) *Duct Tape Velcro and Beyond*  
Presented at Summer Assistive Technology Institute; Canterbury, NH

Willkomm, T.M. (2008, January 8) *McGyver-AT in Minutes - Creating Assistive Technology Solutions in Minutes*  
Presented at Derry Public Access Station; Durham, NH

Willkomm, T.M. (2008, January 30) *Duct Tape, Velcro and Beyond*  
Presented at National ATIA Conference; Orlando, FL

Willkomm, T.M. (2008, February 27) *Fabricating Assistive Technology Solutions in Five Minutes or Less*  
Presented to Georgia Kern's graduate students in special education; Durham, NH

Willkomm, T.M. (2008, April 26) *Duct Tape Velcro and Beyond*  
Presented at New Hampshire Occupational Therapy Association Spring Conference; Bedford, NH

Willkomm, T.M. (2008, April 27) *Duct Tape Velcro and Beyond Workshop*  
Presented at Charting the Cs Conference; Alexandria, MN

Willkomm, T.M. (2008, May 7) *Duct Tape Velcro and Beyond*  
Presented at The Annual New England Residential Coordinator's Conference; North Conway, NH

Willkomm, T.M. (2008, June 18) *Creating AT Solutions In Minutes*  
Presented at New Hampshire Easter Seals; Manchester, NH

Willkomm, T.M. (2008, June 23) *Beyond Duct Tape and Velcro - Creating Assistive Technology Solutions in Minutes.*  
Presented at Houston Assistive Technology Conference for Educators; Houston, TX

Willkomm, T.M. (2008, June 26) *Beyond Duct Tape and Velcro - Creating Assistive Technology Solutions in Minutes.*  
Presented at RESNA Annual Conference; Washington, DC

Willkomm, T.M. (2008, October 20) *Creating Your Own Interactive White Board*  
Presented at New England Assistive Technology Directors Meeting; Assumption College, Massachusetts

Willkomm, T.M. (2008, October 30) *Creating Low Cost Worksite Accommodations in Minutes*  
Presented at New Hampshire Annual Vocational Rehabilitation Conference; Manchester, New Hampshire

Willkomm, T.M. (2008, November 11) *Duct Tape Velcro and Beyond*  
Presented at Rhode Island State Wide Assistive Technology Conference; Providence, Rhode Island

Willkomm, T.M. (2009, January 20) *Creating Assistive Technology Solutions in Minutes*  
Presented at Barrington Elementary School Teacher In-service; Barrington, New Hampshire

Willkomm, T.M. (2009, March 4) *Assistive Technology Solutions in Minutes*  
Presented at Northeast Rehabilitation Hospital; Salem, New Hampshire

Willkomm, T.M. (2009, March 17) *Assistive Technology Solutions in Minutes Part Two*  
Presented at Northeast Rehabilitation Hospital; Salem, NH

Willkomm, T.M. (2009, May 27) *Duct Tape Velcro and Beyond – Creating AT Solutions in Minutes*  
Presented at Vermont Family Network Conference; Burlington, Vermont

Willkomm, T.M. (2009, June 23) *Creating Assistive Technology Solutions in Minutes*  
Presented at National RESNA Conference; New Orleans, Louisiana

Willkomm, T.M. (2009, July 22) *How to Make an Interactive Whiteboard*  
Presented at New England AT Directors Meeting; Hartford, CT

Willkomm, T.M. (2009, August 13) *Assistive Technology and Including Samuel*  
Presented at Charles University Education Department; Prague, Czech Republic

Willkomm, T.M. (2009, August 28) *On Fabrication Tools and Materials for Constructing at Solutions in Minutes*  
Presented at Simmons College; Boston, MA

Willkomm, T.M. (2009, September 28) *Beyond Duct Tape and Velcro Fabricating Solutions in Minutes*  
Presented at ATIA Conference; Chicago, IL

Willkomm, T.M. (2010, January 21) *Becoming an Assistive Technology MacGyver*  
Presented at ATIA Conference; Orlando, FL

- Willkomm, T.M. (2010, April 10) *Low Tech AAC Strategies*  
Presented at Rae Sonemier's Class on AAC; UNH, Durham, NH
- Willkomm, T.M. (2010, April 12) *101 Solutions You Can Fabricate With PVC*  
Presented at ATIA - Webinar
- Willkomm, T.M. (2010, July 12) *Becoming an Assistive Technology McGyver*  
Presented at Summer Assistive Technology Institute; Concord, NH
- Willkomm, T.M. (2010, July 13) *101 AT Solutions You Can Make with PVC*  
Presented at Summer Assistive Technology Institute; Concord, NH
- Willkomm, T.M. (2010, July 14) *Making, Mounting and Modifying Switches*  
Presented at Summer Assistive Technology Institute; Concord, NH
- Willkomm, T.M. (2010, October 19) *Becoming an Assistive Technology McGyver*  
Presented at Early Supports and Services Workshop; Laconia, NH
- Willkomm, T.M. (2010, November 2) *Becoming an Assistive Technology McGyver*  
Presented at Early Supports and Services Workshop; Nashua, NH
- Willkomm, T.M. (2010, November 5) *Becoming an Assistive Technology McGyver*  
Presented at Easter Seals Early Supports and Services Workshop; Manchester, NH
- Willkomm, T.M. (2011, March 9) *Beyond Duct Tape & Velcro - Creating Assistive Technology Solutions in Minute*  
Presented at Assistive Technology Workshop Series; Concord, NH
- Willkomm, T.M. (2011, May 6) *Assistive Technology and Early Intervention - Becoming a McGyver*  
Presented at 1st Annual NH Early Intervention Conference; Laconia, NH
- Willkomm, T.M. (2012, July 3) *Creating Assistive Technology Solutions in Minutes*  
Presented at RESNA, Baltimore, MD
- Willkomm, T.M. (2012, August 13) *Awesome iPad adaptations You Can Make in Minutes*  
Presented at IOD PDC, Concord, NH
- Willkomm, T.M. (2012, September 13) *Creating Assistive Technology Solutions in Minutes*  
Presented at Missouri Agrability Conference, Missouri Independent Living Center, St Joseph, MO
- Willkomm, T.M. (2012, September 18) *Adapting the iPad*  
Presented at ATIA
- Willkomm, T.M. (2012, October 8) *Adapting the iPad for Students with Vision Impairments*  
Presented at Texas Region 2 AT Conference, San Antonio, TX
- Willkomm, T.M. (2012, November 1) *Adapting the iPad for Students with Vision Impairments*  
Presented at University of Vermont, Burlington, VT
- Willkomm, T.M. (2012, November 6) *Adapting the iPad*  
Presented at EdTech Teacher iPad Summit, Mass Ed Tech, Boston, MA
- Willkomm, T.M. (2012, December 7) *Creating Assistive Technology Solutions in Minutes*  
Presented at Indiana Assistive Technology Conference, Indianapolis, IN
- Willkomm, T.M. (2013, January 8) *iPAD Adaptations in Minutes*  
Presented at IOD PDC - ATinNH, Concord, NH
- Willkomm, T.M. (2013, January 15) *Creating Assistive Technology Solutions in Minutes*  
Presented at Rhode Island AT Conference, Warwick, RI

- Willkomm, T.M., (2013, June 3). *Creating Assistive Technology Solutions in Minutes*  
Presented at Institute Designed for Educating All Students (IDEAS) 2013, Georgia Tools for Life, St Simons Island, GA
- Willkomm, T.M., (2013, June 20). *Creating Assistive Technology Solutions in Minutes*  
Presented at Rehabilitation Society of North America Annual Conference, Seattle, WA
- Willkomm, T.M., (2013, July 15). *Adapting iPADs*  
Presented at Autism Summer Institute, Syracuse University, Syracuse, NY
- Willkomm, T.M., (2013, September 14). *Using Ordinary Items to Create Extraordinary Solutions*  
Presented at Kansas Occupational Therapy State Conference, Kansas City, MO
- Willkomm, T.M. (2013, October 17) *Methods, Materials, Tools, for Creating, Assistive Technology Solution in Minutes*  
Presented at St. Mary's Academy, Dover, NH
- Willkomm, T.M. (2013, November 21) *Methods, Materials, Resources, for Creating Solutions in Minutes*  
Presented at Hooksett School District, Hooksett, NH
- Willkomm, T.M., (2014, January 16) *Creating Assistive Technology Solutions in Minutes*  
Presented at Arizona Assistive Technology Conference, Arizona Department of Education, Phoenix, AZ
- Willkomm, T.M., (2014, February 14) *Creating Assistive Technology Solutions in Minutes*  
Presented at Redwood Assistive Technology Conference, Florence, KY
- Willkomm, T.M., (2014, March 4) *Creating Assistive Technology Solutions in Minutes*  
Presented at Potsdam, New York Assistive Technology Conference, Clarkson University, Potsdam, NY
- Willkomm, T.M., (2014, March 28) *Creating Assistive Technology Solutions in Minutes*  
Presented at RI Assistive Technology TECH Access, Providence, RI
- Willkomm, T.M. (2014, April 11) *Creating Assistive Technology Solutions in Minutes*  
Presented at Region 4 AT Conference, Region 4, Houston, TX
- Willkomm, T.M. (2014, April 30) *Creating Assistive Technology Solutions in Minutes*  
Presented at Virginia Assistive Technology Conference, Virginia Department of Education, Norfolk, VA
- Willkomm, T.M. (2014, May 9) *Creating Assistive Technology Solutions in Minutes*  
Presented at Cardinal Hayes Assistive Technology Annual Workshop, Cardinal Hayes home, Milford, NY
- Willkomm, T.M., (2014, June 11) *Creating Assistive Technology Solutions In Minutes*  
Presented at Texas Annual Assistive Technology Conference, Texas Department of Education, Houston, TX
- Willkomm, T.M., (2014, September 24), *Assistive Technology Solutions in Minutes*,  
Presented at Health South Rehab, Concord, NH
- Willkomm, T.M. (2014, September 26), *Assistive Technology Solutions in Minutes*,  
Presented at Catholic Medical Center, Manchester NH
- Willkomm, T.M. (2014, November) *Creating Assistive Technology Solutions in Minutes – For the Home*  
Presented at RESNA, Arlington, VA
- Willkomm, T.M. (2015, February 12) *Fabrication Tools and Materials for Making Solutions in Minutes*  
Presented at PEAK Conference on Inclusive Education, PEAK, Denver, CO
- Willkomm, T.M. (2015, February 24) *Creating Assistive Technology in Minutes*  
Keynote Presented at Assistive Technology for Deaf and Hard of Hearing, Hawaii Department of Education, Honolulu, HI
- Willkomm, T.M. (2015, March 2015) *Creating Solutions in Minutes for Blind and Low Vision*  
Presented at Focus on Vision Impairment and Blindness Conference, Massachusetts Division of Developmental Disabilities, and Vision Loss, Boston, MA

Willkomm, T. M. (2015, March) *Rapid, Low-cost, Fabrication of Assistive Technology Solutions*  
Presented at RESNA, Arlington, VA

Willkomm, T.M. (2015, May18) *Creating Assistive Technology Solutions in Minutes*  
Presented at Creating Possibilities Workshop, Black Hills Works, Rapid City, SD

Willkomm, T.M. (2015, August 1) *Creating Assistive Technology Solutions in Minutes*; Camp Create, Concord NH

Willkomm, T.M. (2015 August 2) *Repurpose, Recycle, Reuse of Assistive Technology*, Camp Create, Concord, NH

Willkomm, T.M. (2015, August 28) *Assistive Technology Make And Take*  
Presented at Dover Makers' Fair; Dover, NH

Willkomm, T.M. (2015, September 16) *Creating Assistive Technology Solutions In*  
Presented at New London, New Hampshire

Willkomm, T.M. (2015, September 28) *Creating Assistive Technology Solutions In Minutes*  
Presented at Massachusetts Institute for Technology; Boston, Massachusetts

Willkomm, T.M. (2015, October 21) *Creating Assistive Technology Solutions In Minutes*  
Presented at Arizona Assistive Technology and Education, Conference; Flagstaff Arizona

Willkomm, T.M. (2015, October 26) *Creating Assistive Technology Solutions In Minutes*; Guest Lecturer  
Presented at Occupational Therapy Department; University of Wisconsin; Milwaukee, WI

Willkomm, T.M. (2015, October 28) *Creating Assistive Technology Solutions in Minutes*, Keynote Speaker  
Presented at Nebraska Assistive Technology and Education Conference; Omaha, Nebraska

Willkomm, T.M. (2015, November 15) *Creating Assistive Technology Solutions In Minutes*  
Presented at Al Noor Conference in Dubai

Willkomm, T.M. (2015, December 2) *Creating Assistive Technology Solutions In Minutes*  
Presented at Professional Development Series; University of New Hampshire; Manchester, NH

Willkomm, T.M. (2015, December 4) *Assistive Technology Solutions In Minutes*; Guest Lecturer; Introduction To  
Mechanical Engineering  
Presented at Mechanical Engineering Department; University of New Hampshire; Durham, NH

Willkomm, T.M. (2016, January 10) *Creating Assistive Technology Solutions In Minutes*  
Presented at Honolulu, Hawaii

Willkomm, T.M. (2016, January 17) *Creating Assistive Technology Solutions In Minutes*  
Presented at Kona, Hawaii

Willkomm, T.M. (2016, January 26) *Creating Assistive Technology Solutions In Minutes*, Guest Lecture OT 730  
Presented at University of New Hampshire; Durham, NH

Willkomm, T.M. (2016, February) *Creating Assistive Technology Solutions In Minutes*; Guest Lecturer; OT Community  
Placement Course  
Presented at University of New Hampshire; Durham, NH

Willkomm, T.M. (2016, February 2) *Low-Cost Assistive Technology Solutions For Blind And Low Vision*, Webinar  
Presented for Assistive Technology Industrial Association

Willkomm, T.M. (2016, February 9) *Creating Assistive Technology Solutions In Minutes* Featured Keynote Speaker  
Presented at Ohio Educational Technology State Conference

Willkomm, T.M. (2016, February 27) *Creating Assistive Technology Solutions In Minutes*  
Presented at Wyoming Statewide Assistive Technology Conference

Willkomm, T.M. (2016, March 17) *Creating Assistive Technology Solutions In Minutes*  
Presented at Arkansas Assistive Technology Conference

Willkomm, T.M. (2016, April 21) *Creating Assistive Technology Solutions In Minutes*  
Presented at Nebraska Assistive Technology Conference; Omaha, Nebraska

Willkomm, T.M. (2016, August 10) *Creating Assistive Technology Solutions in Minutes*  
Presented at OT/ PT Annual Conference; Columbus, Ohio

Willkomm, T.M. (2016, September 26) *Creating Assistive Technology Solutions in Minutes*  
Presented at South Dakota OT Annual Conference; Rapid City, South Dakota

Willkomm, T.M. (2017, October 16) *Creating Assistive Technology Solutions in Minutes*  
Closing the Gap National Conference, Minneapolis MN

Willkomm, T.M. (2017, October 13) *Creating Assistive Technology Solutions in Minutes*, Presented to OT Students at the University of Milwaukee, Milwaukee, WI

Willkomm, T.M. (2017 October 23) *Creating Assistive Technology Solutions in Minutes*, Presented at the National Center on Technology and Disability, Columbus OH..

Willkomm, T. Guest Lecture – Experience with Stuttering and Accommodation – Communication Science and Disorder Class on Stuttering – May 2018

Willkomm, T. Guest Lecture Low tech high tech appropriate Assistive technology. . OT 444 Class (Feb 2018).

Willkomm, T., Guest Lecture, Assistive Technology Solutions in Minutes. OT 830 (February 2018).

Willkomm, T. Guest Lecture, Communication Sciences and Disorders, Making assistive technology solutions for communication Departments. (October 2017).
